

Enjoy your favorite records with room-filling sound and the sleek, mid-century design of the Victrola Eastwood record player family with the new, larger Eastwood LP stereo Bluetooth record player.

FEATURES

- **Anti-skip floating speaker system** provides room-filling stereo sound and enhanced bass while preventing unwanted vibrations and skipping.
- **Isolated platter and tonearm design** provides an extra layer of vibration prevention to keep your records scratch-free and playing loudly.
- **VINYLSTREAM™ Bluetooth® output** enables wireless streaming to Bluetooth® speakers and headphones.
- **Audio Technica AT-3600L moving magnet cartridge** delivers exceptional audio quality, enhancing the clarity and richness of your music.
- **Bluetooth connectivity** for streaming music from any Bluetooth-enabled device to the integrated stereo speakers.
- **Includes RCA and 3.5mm headphone outputs** for private headphone listening or connecting to an external stereo system.
