

TS5010-EU

2.1 channel home theater sound bar with wireless subwoofer

800mm	31.5"
--------------	-------

Key Features:
Finely tuned premium sound
Total power 120W
Specialized sound modes
Wireless music
Ideal for 43" TV and above

Stunning sound. Made simple.

TCL's TS5010 sound bar delivers distortion-free sound at any volume level and for any content. With dedicated components for left and right speakers, coupled with fine-tuning by experienced audio engineers, you will be able to hear every detail with crisp clarity. The sound bar also delivers unmatched sound in its class, without the hassle of complicated setup. You can connect to your TV using an Optical or Audio Cable (Aux/3.5mm). Easily place the sound bar under your TV, or wall mount it with the included wall mounting kit to ensure you get it just right the

first time. Non-corrosive feet protect your furniture from scratches. This sound bar is also equipped with three different sound modes to deliver optimized sound for Music, Movies, and News.
