

Music's next move

Beosound A5 goes where no portable speaker has gone before. Acoustically. Aesthetically. Effortlessly.

Elegant looks disguise a world of power and precision that brings huge sound anywhere – in the home, or out in the wild. Serious bass. Seriously smart. With A5, you won't know what's hit you.

Stream anything wirelessly. Connect other speakers seamlessly. All in a grab-and-go package that's designed to be updated over time instead of replaced, so it'll always be by your side.

This is music's next move.

10 WORDS

Captivating sound for homes and journeys.
Meet our most powerful portable speaker.

25 WORDS

Elegant looks meet advanced acoustics in our most powerful portable speaker. Enjoy 12 hours of cordless music on Wi-Fi or Bluetooth. Beosound A5 brings huge sound anywhere.

50 WORDS

Elegant looks meet advanced acoustics in our most powerful portable speaker to date. Stream anything wirelessly and connect other speakers seamlessly. Uncover the details in your favorite recordings. A5 features 12 hours of cordless music on Wi-Fi or Bluetooth – all in a grab-and-go package that you can bring from room to room and away on adventures.

100 WORDS

Elegant looks meet advanced acoustics in our most powerful portable speaker to date. With four custom drivers and advanced signal processing, Beosound A5 uncovers all the details in your favorite recordings. You won't just hear A5 – you'll feel it.

Stream anything wirelessly and connect other speakers seamlessly. A5 features 12 hours of cordless music on Wi-Fi or Bluetooth – all in a grab-and-go package that you can bring from room to room and away on adventures.

Beosound A5 epitomises the best of design and materials. Meticulous craftsmanship unites real oak and rich aluminium with a modular construction that makes components replaceable. Beosound A5 is built to last at least a decade.

Key Selling Points

BRINGS THE BASS. READS THE ROOM.

Four custom drivers for true 360-degree sound. The most powerful custom-made woofer in any of our portable speakers. All powered by individual digital amplifiers and advanced signal processing for the highest fidelity in any room. You won't just hear A5 – you'll feel it.

AHEAD OF THE GAME. AND THE TIMES.

A5 isn't just built to last – it's built to evolve. Replace parts over time instead of replacing the whole speaker, and upgrade your system as new features become available to make your music experience better and better.

PORTABILITY? HANDLED

A5 builds incredible soundscapes in every room, balcony, or park. Enjoy 12 hours of cordless music and wireless charging for your phone. All packed in a IP65 water-resistant construction you'll be proud to carry everywhere.

MIX. MATCH. MAGIC.

Paired up, your music soars further. Stereo-pair two A5 for full immersion, or connect to any compatible wireless speaker to orchestrate music in every room. A5 is primed to bring it all together.

FORM AND FIDELITY

A5 epitomises the best of design and materials. Real oak and rich aluminium make for a tactile experience. Everything crafted with longevity in mind.
